

SUMMER DAY CAMPS @PHOEBE NEEDLES 2012

This program will focus on teaching children how to swim, or improving their swimming skills if they are already swimmers. Each day will include swimming lessons, games, free swim time, and lots of other fun. Swimming instructors are Red Cross certified.

LEARN TO SWIM CAMP

June 18th - 22nd
July 2nd - 6th

NATURE CAMP

July 9th - 13th

Nature Camp is for rising first through fourth graders. Day campers will have a chance to explore the forest, creeks and ponds; learn about recycling and sustainability, learn about native animals. Campers will also have a chance to swim, play games, and make new friends!

SUMMER ART CAMP

June 25th - 29th

The Summer Art Camp is for rising first through fourth graders. Day campers will have a great time painting, making crafts, tie-dyeing T-shirts, playing games, music, having an afternoon swim, and lots of other fun activities! In addition to our regular camp staff, we will have art instructors to teach the various skills.

The cost, including lunch and all program materials is only \$75 for the Summer Art Camp, Learn to Swim Camp, and Nature Camp.

It is our hope to make the Summer Day Camp 2012 available to all teens without respect to ability to pay. Financial assistance for those with need is available in the form of scholarships from The Phoebe Needles Center.
