

SUMMER DAY PROGRAMS @ PHOEBE NEEDLES

LEARN TO SWIM PROGRAM

This program will focus on teaching children how to swim, or improving their swimming skills if they are already swimmers. Each day will include swimming lessons, games, free swim time, and lots of other fun. Swimming instructors are Red Cross certified.

SUMMER ART PROGRAM

The Summer Art Program is for rising first through fourth graders. Day campers will have a great time painting, making crafts, tie-dying T-shirts, playing games, music, having an afternoon swim, and lots of other fun activities! In addition to our regular camp staff, we will have art instructors to teach the various skills.

There are two new programs designed for rising first through fourth graders this summer at The Phoebe Needles Center! We have a Learn to Swim Program (or improve the skill you already have), and a new Summer Art Program. Each day begins at 9:00 am, and ends at 4:00 pm. The cost, including lunch and all program materials is only \$60 for the Learn to Swim Program and \$75 for the Summer Art Program!

Learn to Swim Program
July 5th - 9th
July 19th - 23rd

Summer Art Program
August 2nd - 6th

For more information, or to register, please contact the Center.
