“OUR DISAPPEARING BIRDS”

MAY 11th, 2010

Our presenter, Bill Grant, will lead a program on “Our Disappearing Birds.” It will focus on the plight of our birds today. What are the causes for some of the massive declines? What are possible solutions to try and reverse the trend.

Bill presented a program at Phoebe Needles in May 2007, and is both a passionate and knowledgeable speaker. Please join us for a great program.

*Join us for a
great
program and

Bill Grant is Vice-President of The Roanoke Valley Bird Club. He resides in Salem, and has been an avid birder since his retirement from

teaching music in the public schools of Virginia in 1994. He is Chairman of the bird club’s Outreach Program and has spoken to many organizations, bird clubs and gardening clubs about various subjects in regards to birding.
