2021 SUMMER CAMP PROGRAM DESCRIPTIONS

MIDDLER CAMP June 13th - June 19th for Rising 7th - 8th Graders

Whether you are making new friends or getting reacquainted with old ones, this week is LOTS of fun. We sing, work on crafts, play games, swim, worship, enjoy an evening movie and hangout. There are many activities that will challenge you in body, mind and spirit - we will rock climb and rappel, build community and teamwork on the high and low ropes courses, and test endurance on the climbing wall. This is a great

week of camp with lots of fun and excitement!

SENIOR CAMP June 20th - June 26th for Rising 9th -12th Graders

What a GREAT opportunity to challenge yourself this summer, and have a fantastic time. We will play some group games, try the low and high ropes courses, go rappelling and rock climbing, swim, watch some movies, pray, and have plenty of time for making new friends.

OUTDOOR EXPEDITION CAMP June 27th - July 2nd Minimum age 13

We will spend two days hiking and caving, two days backpacking, one day rock climbing and rappelling, and five nights camping out. We will explore parts of southwestern Virginia under the ground and up on mountains. Come learn what lives in the caves of Virginia or on the cliffs of the Blue Ridge Mountains. If you're looking for a new adventure to liven up your summer, sign up today!!!

FIRST YEAR CAMP June 27th - July 2nd for Rising 5th - 6th Graders

We have designed a camp for rising 5th and 6th Graders. It's not only great fun, but a great way to meet new friends! For many of the children, this is their first experience at a residential camp. Some bring a friend or two, others come and make friends as they go. The week is very busy with arts, crafts, music, swimming, hiking, games, adventure, worship and LOTS of fun!

THE SUMMER CAMP STAFF

The staff is committed to our mission to ensure that your child or teenager has a safe and fun experience. We have creative, adventurous, committed, good humored, faithful, and talented staff each year who help operate the camp. For the past 21 summers, we have had one or more international staff members. They have come from England, Wales, Slovenia, Poland, Scotland, Sweden, Germany, Ireland, Australia, Mexico, Jamaica, France, and New Zealand. They each bring unique gifts and perspectives to our program that add a wonderful dimension and diversity to our staff. We are looking for college age staff again this summer if you know of someone who might be interested!

ROCK CLIMBING CAMP July 4th – July 10th Minimum age 13

This week will focus primarily on learning how to safely rock climb and rappel, or for the more experienced, to polish those skills. This week will include hiking, camping, outdoor cooking, climbing, and rappelling. ALL climbing and safety equipment is provided. If you have climbing shoes, you are welcome to bring them, but please do not bring any other equipment. This year we will be camping outdoors for three nights. Join us for a great week of FUN in the outdoors!

ART CAMP July 11th - July 17th Minimum Age 11

The week will be filled with workshops in photography, drawing, pottery, calligraphy, music, painting, and much more... All of this is in addition to games, swimming, worship, free time, movies, hikes in the woods, and spending time with a great staff! Eat, play, create!

NATURE CAMP July 11th - July 17th Minimum Age 11

This week will focus on many outdoor and environmental activities including learning how to identify trees, wildflowers, fungi, animal tracks, birds, reptiles, amphibians and more. We will hike at night, explore around ponds, learn about recycling and watch the sky light up with stars. We'll also do arts and crafts, play games, swim, and more!

OUTREACH CAMP July 18th – July 24th for Rising 7th - 12th Graders

Have you ever hammered a nail to build a deck? What about used a miter saw to cut a 2X4? During this week, we will divide into small groups to work with neighbors to remodel the houses of the elderly and those in need in our community. You will have a chance to try your hand at basic carpentry, painting or landscaping. Imagine building a wheelchair ramp for someone in need, or replacing the porch on a house of someone who is not able to do the work themselves. What about painting an entire house in a week? This service learning program is all about working together with people in the community to accomplish a task none of us could do by ourselves.

Tuition is \$240 per week. It is our hope to make Summer Camp 2021 @ Phoebe Needles available to all teens without respect to ability to pay. Financial assistance in the form of need-based scholarships is available from Phoebe Needles Center, Inc. Please contact the Office Manager at the Center with any questions, or for more information: (540)-483-1518 or PNCenter@gmail.com. Find us on the web at: www.PhoebeNeedles.org
